

**RTO form: USI PERMISSION FORM**

---

The Commonwealth Government has implemented a more effective way to assist students as well as collect data. This means all students must have a Unique Student Identifier (USI). This will link all of your nationally recognised records and results and will make it easier for credit transfer and any other recognition processes.

You can create your own USI by going to [www.usi.gov.au](http://www.usi.gov.au) and creating your own account and when you receive your USI you can advise MDS Training, or other organisations you wish to be enrolled with, of your USI. We will also need your permission to view this in order to verify qualifications or transcripts.

Alternatively you can give MDS Training permission to gather a USI on your behalf. If we do this we will advise you of your USI number.

Please complete Section A or Section B.
