STUDY WORKLOAD:

7 hours (inclusive of ½ lunch) per session and additional work to be completed in their own time of approximately 10-12 hours per scheduled unit/session.

UNIQUE STUDENT IDENTIFIER (USI):

All students studying a nationally recognised qualification must have a USI before enrolling. If you do not already have a USI, go to www.usi.gov.au to create one.

COURSE MATERIALS:

All materials including study notes, activities, handouts and assessment tools are provided with no additional costs.

ASSESSMENT AND TRAINING:

All training is provided in the classroom in workshop format for each scheduled session. Assessment consists of different activities for each unit. Reasonable adjustment will be made to any assessment tools to accommodate individual need. Refer to the course outline for details of the assessment tools utilised for each unit or set of units.

CLIENT SUPPORT SERVICES:

MDS Training offers support to all their students. Support may be related to disability, literacy, language or other concerns or barriers. You can contact the following people for assistance; the facilitator of your training, the training coordinator or the Manager MDS Training. The contact details are on this document.

COMPLAINTS:

MDS Training has a procedure for anyone wanting to make a complaint. You can speak to your facilitator, the training coordinator or the Manager MDS Training. All complaints are recorded and outcomes are reported. MDS Training uses complaints as part of its continuous improvement process. Forms for complaint are available from the website or you can receive one by mail or email. If you experience difficulties filling in the form contact the Manager MDS Training for assistance. This form is also provided on enrolment.

APPEALS:

MDS Training has a procedure for students who want to appeal any decisions affecting their outcomes. This could include competency, recognition of prior learning, extensions or removal from a

course. The form is available from the manager and assistance to complete the form can be provided. The form can also be emailed or posted to you, it is also available on the website. This form is also provided on enrolment.

RECOGNITION OF PRIOR LEARNING:

Students may be able to demonstrate their competence in some units; as such recognition of prior learning is available. This is to acknowledge the skills and knowledge gained through previous training events along with life and work experience.

There is no direct link between this qualification and licensing, legislative and/or regulatory requirements. However, where required, a unit of competency will specify relevant licensing, legislative and/or regulatory requirements that impact on the unit.

*We care about our students and their development and education.
We will support all our students throughout their course of study.*
